

Dunfermline Athletic Football Club are heading to the Scottish Cup Final, their first appearance in 19 years, and we would love your pupils to be part of the celebration.

This activity pack is a wonderful opportunity to get pupils excited about the Scottish Cup and to feel connected to their club at a special moment in the club's history.

Within this pack, you will find a range of templates for pupils to colour, decorate, and personalise with their own creative designs and messages of support. We can't wait to see a wide variety of ideas and artwork.

Designs will be shared with the players, manager, and club staff in the lead-up to the final, and the messages will show the squad how much support they have from the local community.

Completed entries can be returned in the following ways:

Scanned and emailed in - Email [Courtney@parsfoundation.co.uk](mailto:Courtney@parsfoundation.co.uk)  
Posted - Cup Final Artwork, KDM Group East End Park, Halbeath Road, Dunfermline, KY12 7RB  
Or handed in at the club shop or reception during opening hours.

We kindly ask that all entries be returned by Monday the 18th of May where possible.

This initiative is being delivered with the support of the Pars Foundation.

There will also be a selection of prizes awarded for the most creative and inspiring designs.
